

Voted at Meeting of 2/26/81

MEMORANDUM

FEBRUARY 26, 1981

TO: BOSTON REDEVELOPMENT AUTHORITY

FROM: ROBERT J. RYAN, DIRECTOR

SUBJECT: PREVIOUSLY TABLED AGENDA ITEMS

At the request of the Authority at the last meeting, I have reviewed the previously tabled items, some of which date back to as early as October of 1976. I have determined that in each instance listed on the attachment, the original recommendation which was tabled is either no longer applicable or no longer consistent with the direction in which the Authority is proceeding.

In order to clear the record of these outdated items, it is recommended that the Authority vote to take from the table the attached listed items and further vote that the Director be given leave to withdraw said items.

VOTED: That each of the agenda items listed on the attachment be removed from the table; and

FURTHER

VOTED: That the Director be given leave to withdraw each of the agenda items listed on the attachment.
